Greetings all and welcome to Week 9.

More rain and unfortunately we have had to postpone our Athletics Carnival until Wednesday 15th July. That is Wednesday of Week 1 Term 3. Lots of hope for better weather and a dry track.

Star Struck
Star Struck has come and gone once again. Our children thoroughly enjoyed the event and all the growth experiences that went along with it. I would like to congratulate all the children, Mrs Richards and Miss Gibson, for the effort they brought to the whole production. When you know what goes into the preparation and performance including rehearsal, travel, costuming, supervision and time, then you realise what a wonderful team effort it is. My thanks also to the teachers and staff that have supported the Star Struck group.

Change to Disco for Term 3
There will be a change to the disco planned for Term 3. We will be holding the disco on Wednesday 19th August in Week 6. The disco will start at 5:00pm which is 30 minutes earlier than before and finish at 8:00pm which is 30 minutes earlier. The times for the disco will be Infants (K-2) 5:00pm - 6:15pm and Seniors (3-6) from 6:30pm – 8:00pm.

Food will still be available. Hot dogs will be on sale between the discos so that the Infants can get a hot dog at the end of their disco and Seniors can get a hot dog before their disco begins.

Billy Cart Derby
Our wonderful Billy Cart Derby is on again. We have set aside Friday 11th September for our great event. That is Friday of Week 9 next term. Everyone who came to the first Billy Cart Derby last year had an amazing day and this year promises to be bigger and better. Save the date and start making your carts now because the time will go very quickly. I will put out more information early next term.

Movie Night
On the same date, Friday 11th September, we will be holding our first Movie Night at school. We are in partnership with the rural Fire Service to provide an outside movie experience on the oval. We have secured a giant screen and a professional organisation to run the movie. Our friends, Harrington Entertainment will set up popcorn, fairy floss and coffee for sale. Entry to this event will be a gold coin per person. What better way to complement our Billy Cart Derby day than with a family movie night. The P&C will fire up the BBQ so families can buy dinner and then we can all settle back and watch a great movie. We will publish more information early next term. This is an amazing opportunity to enhance our wonderful community culture and showcase our school.

New Class Groupings
As you are aware our wonderful school is growing rapidly and we are now at the point of forming our 17th class. The class will be formed in Stage 2. Mrs Brooke Jacobs will teach the class for the remainder of 2015. As a result of the class formation there will be some changes to home rooms, classes and minor changes to literacy and numeracy groups. These changes will come into effect on Tuesday 23rd June.

This is a very exciting time for Bonnells Bay as we grow and change from a large school into a bigger school while keeping the same culture and expectations that define us.
Bus Behaviour
I am concerned that towards the end of term we are seeing a spike in poor bus behaviour. I have always been quick to suspend our students for inappropriate bus behaviour. Please talk to your children and warn them that breaches of the bus code of conduct will result in immediate suspension of bus passes. I do not enjoy this action but it may be necessary to curb this behaviour.

Have a great week.

Library News
As another busy term draws to a close in the library I am beginning to look towards things that will be happening next term. In August next term we celebrate Book Week. The theme this year is ‘Books Light Up Our World’. I am looking forward to sharing the short listed books with the students and participating in some activities surrounding the themes in those books.

The Premier’s Reading Challenge (PRC) ‘Wall of Fame’ continues to grow. The PRC will wrap up towards the end of term 3. The holidays are a great opportunity to catch up on some reading, particularly those cold wet winter days! Send in any hard copies of reading records that you would like entered online for you.

It would be lovely to have all our popular series books available for borrowing over the holidays. If you have any overdue books lying around, please return them ASAP!

Happy Reading

The simplest way
…to make healthy chicken nuggets + chips

Most kids love this fast food favourite – here’s a healthy version that will satisfy even the fussiest eater!

Ingredients

- ½ kg chicken breast, breadcrumbs, 1 egg - lightly beaten, ½ kg pumpkin, ½ kg potatoes, 1 tablespoon olive oil.

Method

- Peel & chop pumpkin and potato into wedges
- Coat the wedges in olive oil, place onto tray and bake at 180 degrees for 60 mins
- Meanwhile, cut the chicken into bite size pieces
- Dip the chicken pieces into the egg, then coat with breadcrumbs
- Place chicken nuggets onto tray and bake in the oven at 180 degrees for the remaining 20 mins
- Serve wedges and nuggets with a garden salad - delish!

Giving your kids fruit + veg every day will help them stay healthy and strong, and help protect against some diseases like cancer.

Star Struck 2015
What an a-MAZE-ing time the students of BBPS had last week. Congratulations to our Star Struck dancers and choir students for 4 great performances. This wonderful group of 40 students did BBPS proud with their effort and dedication to all rehearsals and shows. Their behaviour was excellent, especially with the long breaks we had in between our segments and performances.

We lucked out again with costuming this year as the dancers performed in grey clothing to “Streets of Philadelphia”. They were portraying homeless people just looking for their break. The students proudly did their own make-up, however there was a fine line between looking homeless and either like a zombie or coal miner.

The choir students learnt a large repertoire of songs, thanks to Miss Gibson, and shone brightly as they sang on stage with a large number of students from other schools. They put in the hard yards as they were on stage for the entire show.

Thank you to Miss Gibson, Mr Capewell, Mrs Bubendey and Ms Corrigan for their help with Star Struck this year.

Thank you to all the families and community members who went to watch the show, without your support the show wouldn’t go ahead.

As quickly as it came this year it was sadly over, now let’s wait and see what they have in store for us in 2016.
